The board of commissioners over Chester Fire District offers testing for eligible applicants interested in being considered for appointments to the Chester Fire District.

All applicants must be at least 18 years of age as of the date of testing to apply for employment with the Chester Fire District. Exceptions: The age limitation does not apply to any person previously employed as a full-time firefighter in a regularly constituted fire department of any municipality or fire protection district located in South Carolina. Any person who serving or has serviced as a member of the active or reserve components of any of the branches of the Armed Forces of the United States or the National Guard of any state, whose service was characterized as honorable, if separated from the military, and as of the date of testing may apply for employment with the Chester Fire District.

Applicants hereby notify them that while their name will be placed on the final eligibility list, the District and the Board of Commissioners reserve the right to pass over them if they have not attained the age of 18 by the hiring date for that round of hiring. Any applicant passed over in this manner for this reason shall retain his or her place on the list for next round of hiring.

All applicants must possess a high school diploma or equivalent; must possess a valid driver's license; must pass physical and written examinations; and must have good habits and be of moral character. To be considered for appointment, the candidate must pass medical and psychological evaluation, must pass a background investigation and if hired, you will be on 180 days probationary period.

The Chester Fire District reserves the right to reimbursement of any Academy training expenses on a pro-rate basis if the member resigns or is terminated.

Respectfully,

Board of Commissioners
